The cash payment of an estimated \$545,820 paid to the Estate on April 21, 1992, for the full payoff of the Lynch Note was not recorded except for the \$26,917.17 in interest. Why is the disappearance of the difference of \$518,903.26 not recognized? Why is the disappearance of the Lynch note between the First and Second Estate Accounts not recognized?

NOTES:

1. Decedent had a POD account in Hallmark Bank with Jean Nader. The bank erroneously paid the amount to the estate. This figure is the interest earned on that sum while in the estate account.
2. This represents interest earned in the estate account on the amount of the disbursement while the disbursal was delayed. This is to equalize the disbursements among the legatees.
3. Estimated tax was paid with an extension request.
4. Expenses incurred due to lost Nuveen certificate of ownership.

5. Decedent owned a partial interest in 15 acres of land in Accotink. The Harold O'Connell Trust owned the other share. The estate agreed to pay for the appraisal which hopefully will reduce the value of the tract by 50%. The beneficiaries of the Trust are the same persons as the devisees under the will and in the same shares.

6. When the 1991 income tax was prepared by Edward J. White, Co-Executor, a large capital gain was omitted necessitating the filing of an amended return. \$526.55 was assessed in interest by the IRS. The figure is the amount of interest earned by the estate while the amount due the IRS was in the estate bank account. The balance of the interest assessment was paid by Edward J. White.

7. Jean M. Nader and Sheila O'Connell-Shevenell agreed that the vehicle should be disbursed to Anthony M. O'Connell in addition to his 1/3 share of the remainder of the estate.

Why use our sister to take me to Court rather than expose the accounting? This notice bypasses, goes around, dodges, evades, and circumvents, exposing the accounting at bk467p191.

The CPA Joanne L. Barnes, the Attorney Edward J. White, and their collaborators, make money disappear and protect themselves by dis-empowering the family they victimize. They use a trusting family member to carry out their covert advice so it appears as if the wedges they plant come from the family. They tear the family apart to protect themselves. This is their signature cover.

Please tell me if the enclosed Court notice is from the Judges or if it is from some alternative element speaking for the Court? I ask this because:

(1) The notice is confusing and lacks accountability; there is no name, no signature, no point of contact, only a telephone number and "The Judges of the Fairfax Circuit Court" in the signature line.

(2) The notice says "Case No. CL-2012-0013064", which matches the number on the summons and the injunction. The accusations in the summons and in the injunction are so blatantly false, and no evidence is provided to justify them, it's as if the law, the evidence, and accountability is not expected to be relevant.

(3) The notice says "In Re: Harold A. O'Connell" but doesn't say what the issue is. Harold A. O'Connell is our Dad who died in 1975.

It would not be prudent for me to appear in Court unless the issues are defined and the evidence for the issues can be obtained beforehand. The present structure makes me dead on arrival; this is not due process.

The best of my two bad options is to not appear in Court, even though my not appearing could be made to appear as if I, rather than the accountants, were trying to hide something, and the terms of their summons and injunction might be approved by default.

Would you please put everything on hold until all of the plaintiff's issues can be identified and their evidence for their issues can be obtained? The known evidence I need before appearing in Court includes exposing the accounting trails in our Mother's estate at Bk467p191. ←

Background

This is extremely complicated and impossible to present in an understandable manner except by through websites.

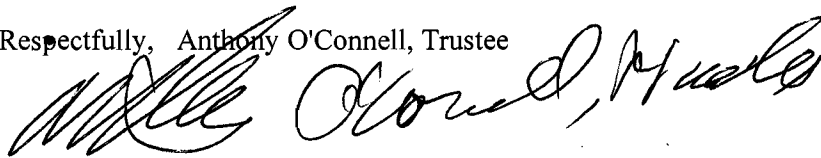

The CPA Joanne Barnes and the Attorney Edward White make money disappear and cover them selves by using an innocent family member as an unwitting agent to carry out their agenda. The evidence is in exposing the accounting trails at Book467page191 in the public record. I've tried to expose Bk467p191 for twenty years and the reaction has cost me my reputation, my family, and my solvency.

Exposing Bk467p191 would be the turning point, its the law, its common sense, and the public trusts that its done. Please use your power or call in federal powers that would do it. Please ask them to (1) protect our family, (2) find out where the money went and (3) untangle the accounting entanglements holding up the sale of our remaining family real estate that we call Accotink. Accotink is in a Virginia Land Trust and I am the Trustee.

Our family needs federal protection. The first thing our family needs is to have a federal agent personally visit our innocent sister Jean Nader at 350 Fourth Avenue, New Kensington, PA 15068, and convince her that she is being used by the accountants.

The terms of the summons and the injunction are for the benefit of the accountants and not for our family; it gives them unlimited control and cover of our family's assets and makes our family appear at fault. History suggests that the reason the accountants want to replace me with innocent Jean Nader as Trustee for Accotink is because they can use her as Trustee as they used her as co-executor in our mother's estate, to make money disappear.

Respectfully, Anthony O'Connell, Trustee

NOTICE OF SCHEDULING CONFERENCE

IN RE: HAROLD A OCONNELL

To: ANTHONY MINER OCONNELL DEFENDANT
439 S VISTA DEL RIO

The issue is exposing the accounting trails at bk467p191. Why require me to travel from Arizona to Virginia for a scheduling conference for an unidentified issue in "In Re: Harold A. OConnell"? Where "No evidence will be taken at that time as this is only a hearing to establish the schedule for the orderly processing of the case." (Chief Judge Smith to Trustee Anthony OConnell, November 27, 2012)?

In an effort to resolve your case quickly and fairly, the court has placed a **Scheduling Conference** for this case on the docket. At the conference, we will establish a trial date and discovery schedule, and deal with other pre-trial matters. We will also discuss whether a settlement conference is appropriate. **DO NOT SET THIS CASE FOR TERM DAY.**

You are to appear for the Scheduling Conference at **08:30 AM on Tuesday, December 04, 2012**, at the Judicial Center, 4110 Chain Bridge Road in Fairfax. The docket with courtroom assignments will be posted electronically on the monitors located on the 4th and 5th floor of the Judicial Center the morning of the scheduling conference.

Please make **SURE** that all of the following things have been taken care of **BEFORE** the Scheduling Conference:

1. Resolve all demurrers, pleas in bars, motions to quash process and other special pleas. Set them down for argument on a Friday Motions Day.
2. Check service of process on each defendant. If a defendant has not been served, either obtain service or be prepared to explain why service has not been effected.
3. If any defendant is in default, obtain a default judgment against him, if possible, or at least a judicial declaration that he/she is in default.
4. Corporations must be represented by counsel.

If there is a problem with the assigned date, please contact the Case Management staff at (703) 246-2880, AT LEAST TEN DAYS before the scheduled conference.

What is the issue in "Re: Harold A. O'Connell"?

RE: *In Re: Harold A O'Connell*, CL-2012-13064

Dear Mr. O'Connell:

I have received your letter regarding the Notice of Scheduling Conference you received in case CL 2012 -0013064. This is indeed a valid notice from our court provided so that you would be aware of a Scheduling Conference at which we will, if appropriate, set a trial date and enter a scheduling order in accordance with the Uniform Pretrial Scheduling Order adopted by the Supreme Court of Virginia. No evidence will be taken at that time as this is only a hearing to establish the schedule for the orderly processing of the case.

As for accountability for the notice, it clearly indicates that it is sent by the judges of the circuit court and provides you with a phone number at which you can contact our case management staff with regard to the Scheduling Conference. We would not send out a notice indicating that you can contact the judges directly as such contact is inappropriate.

What is the issue in "Re: Harold A. O'Connell"?

Your letter also indicates that you do not know what issues are raised in the case but our records indicate that you have responded to the Complaint which sets out the Plaintiff's allegations and prayer for relief so I therefore assume that you are acquainted with the issues which have been raised. As to whether the Plaintiff's allegations are true or merit relief, these issues will not be dealt with at the December 4, 2012 Scheduling Conference but are instead decided in the course of later proceedings or after a trial at which each side has had an opportunity to present evidence in the form of documents or testimony and make arguments as to the proper disposition of the issues.

Is there any authority in our country who would have Judge Smith identify the issue in "Re: Harold A. O'Connell"? Why is the 1992 Deed that supersedes the 1975 Will of H. A. O'Connell not recognized?

The issue is exposing the accounting trails at bk467p191. It's the law and the public trusts that it's done. How did exposing bk467p191 become this?

You also request that our court take certain actions, but please note that Judges take actions based upon pleadings which are properly filed, and even then, only after each interested party has had an opportunity to respond and be heard on the request. Sending a letter to a judge is not filing a pleading in a case as pleadings are properly filed with the Clerk of Court. Additionally, copies of anything sent to the Court for filing must be provided to all other interested parties. As your letter does not indicate copies were sent to the other parties I will provide them with a copy of your letter and this response.

Finally, with regard to your participation in the Scheduling Conference at 8:30 a.m. on December 4, 2012, this is a civil case and it is your choice as to whether you participate in this administrative hearing or any further hearings. If you do not appear, the Court will proceed to establish scheduling without your input. We will, however, send you a copy of any Order that is entered at that hearing.

The issue is exposing the accounting trails at bk467p191. Why require me to travel from Arizona to Virginia for a scheduling conference for an unidentified issue in "In Re: Harold A. OConnell"?

Sincerely Yours,

Dennis J. Smith

I am guessing that Chief Judge Dennis J. Smith is referring to my "The known evidence I need before appearing in Court includes exposing the accounting trails in our Mother's estate at Bk467p191." in my letter of November 21, 2012.

Enclosure

I don't understand why the accounting trails of the CPA Joanne Barnes and the Attorney Edward White at bk467p191 cannot be exposed., I tried for twenty years. After resorting to my web site http://www.canweconnectthedots.com on March 31, 2012, I received a summons, an injunction, a notice to appear in Court, and an Order to appear in Court, but the evidence needed before appearing in Court, the accounting trails at bk467p191, remain unavailable. The evidence is in exposing the accounting trails at bk467p191. Judgements made without looking at these accounting trails are judgements made without looking at the evidence. Would the Judges please use their power to expose bk467p191?

Re: In Re: Harold A. O'Connell, CL-2012-13064

Mr. O'Connell,

I am in receipt of your multiple letters, the latest dated April 18, 2014, regarding the above referenced case. Please note that no action is initiated by sending correspondence to a judge as all pleadings must be filed with the Clerk of Court. In fact, your communication is considered to be an ex parte communication to the court which is prohibited. Pursuant to Canon 3B7 of Canons of the Judicial Conduct for the State of Virginia, judges can only permit or consider ex parte communications if the judge makes provision promptly to notify all other parties of the substance of the ex parte communication and allows an opportunity to respond.

A hearing was held in the above-referenced case on January 25, 2013. A final order was entered on January 28, 2013, a copy of which is enclosed. You will receive no further correspondence from this Court regarding this matter.

Respectfully yours,

Missing
\$ 518,903
April 21, 1992

$$\$545,820.43 - \$26,917.17 = \$518,903.26$$

A cash payment of \$545,820.43 was made to the Estate on April 21, 1992, for the full payoff of the Lynch Note. But only the interest of \$26,917.17 was reported. The difference of \$518,903.26 disappeared. The note continues to be reported to the State and the IRS as late as April 10, 1995, as if it were still on schedule to mature on April 21, 1995. The Lynch Note disappears between the First and Second Court Accounts without explanation.
