Using IRS

Using the IRS to make money disappear.

Submitted in response to summons case 2012-13064, on September 24, 2012, by Anthony Miner O'Connell, Trustee

Why does Judge Smith not recognize my responses to the Complaint? Why is it OK? "1. The material facts set forth in the Complaint filed by Plaintiff in this action are deemed to be admitted by Defendant Anthony M. O'Connell pursuant to Va. Sup. Ct. Rule 1:4(e);- based on the failure of Defendant Anthony M. O'Connell to deny such facts in the responsive pleading filed by him, entitled "Response to Summons Served on September 8, 2012." . . .

ENTERED this 25th day of January, 2013. (Seal of Chief Judge Dennis J. Smith)."

Missing \$70,051 June 11,1992

There are two versions of the extension request (IRS Form 4768) and two version of the estate tax return (IRS Form 760) with the same dates but for different amounts. One version says \$175,000 was paid to the IRS on June 11, 1992, and one version says i\$119,000 was paid to the IRS on June 11, 1992. There should only be one version. The \$70,051 over payment reported on the \$175,000 version disappears from the accounting.

Can we expose the accounting trail of the \$70.051?

Delay Covers \$70,051

ESTATE OF JEAN M. O'CONNELL

PART II EXTENSION OF TIME TO FILE The original due date was June 15, 1992

- 1. The decedent was a part owner of a tract of ground the value of which is to be determined by an appraisal in progress. The enclosed payment is based on the maximum value for the property and will be changed.
- 2. The estate does not at this date possess full data for certain gifts and debts of the estate and other needed information.

The trustee will be made to appear responsible for the appraisal, gifts, and debts. Innocent Jean Nader will be used to carry out the accountant's instructions to the trustee for the appraisal and for the gift of the car.

NOTES:

1. Decedent had a POD account in Hallmark Bank with Jean Nader. The bank erroneously paid the amount to the estate. This figure is the interest earned on that sum while in the estate account.

2. This represents interest earned in the estate account on the amount of the disbursement while the disbursal was delayed. This is to equalize the disbursements among the legatees.

Estimated tax was paid with an extension request.

Re: Estate of Jean M. O'Connell

When I agreed yesterday to the disbursement of the A. G. Edwards accounts by the end of the year, I had not looked at the bank balance of the estate for some time. There is \$64,216.83 in the estate account which includes the sum of \$14,408.53 received today from the IRS for the estate tax overpayment.

To date the sum of \$324,000.00 has been disbursed to the heirs, which has been done on the assumption that we have on hand enough money to pay the rest of the debts. Normally an estate is not disbursed until an Estate Tax Closing Letter has been received from the IRS and Virginia.

I cannot agree to a disbursement from the Edwards accounts until a closing letter is received. As you recall the Accotink property is assessed at \$600,000.00 by the county. Based on the appraisal, we used one half of that figure (times the percentage interest owned by your mother). In the event the IRS does not agree and insists on the full valuation, the estate tax liability could increase by about \$67,000.

Out of the bank account must come the executors' commission which will be about \$45,000.00, a fee for the Fiduciary Income Tax return preparation and various filing fees of a small nature. There simply is not enough money left to cover the contingencies. A disbursal in these conditions would be a violation of the duty of the fiduciaries.

Since the IRS has issued the refund (with interest), I would assume a closing letter is not far behind.

Some questions have arisen as to your tax liabilities. The

Estate paid an estate tax on the value of the property owned by your mother at her death. Since the tax is paid, what is distributed to you is tax free.

In addition there is a fiduciary income tax on the earnings of the estate while it is open. The First Accounting shows income of \$56,928.52 from 9/15/91 through 9/15/92. Basically this is what will be taxed as estate income. Of this \$659.97 can be ignored as it was repayment of a debt from the O'Connell Trust and not income, and at least \$13,388.25 was tax free income. The fiduciary income tax is paid by the estate if it was not disbursed during the tax period. In your case it was disbursed, and you will receive a form K-1 showing how much should be added to your regular income. This is why it is called "pass through" income. This might be about \$14,000.00 each not counting deductions which are due to the estate. Jo Ann Barnes is preparing this return for the estate at present.

The question of capital gains comes up often in estate situations. Any asset owned by a decedent at the time of death is given a "stepped up" basis to its value at the date of death. If the heirs then sell the asset the only taxable capital gain (or loss) is the change in value between the date of death and the date of sale. The Accotink property falls in that category, though the basis on the share formerly held in trust has a basis as of the date of your father's death. The Lynch note will not produce any capital gain since it was taxed in the estate as part of your mother's assets. It will produce an income tax effect on the fiduciary income tax return since \$26,917.17 in interest was received by the estate. This is included in the \$56,928.52 referred to above.

The remaining items left to do in the estate are the filing of a request for the publication of Debts and Demands against the estate, filing a second and final accounting, obtaining a court order for the distribution of the estate and filing a second fiduciary income tax return from the period 9/15/92 through the date of disbursement.

Sincerely,

Edward J. White

Ms. Jean Nader, Co-Executor 350 Fourth Avenue New Kensington, Pennsylvania 15068

Ref: My previous four letters to you concerning the CPA Jo Ann Barnes.

Dear Jean,

If you read the book I sent you entitled *First Thing is to have the final accounting...*, I believe you will understand that the CPA, Jo Anne Barnes; the lawyer, Ed White; and the stock broker, Allison May; are part of a fraud operation, that the CPA is probably the core of it, and that the worst thing you could do is to continue to rely on the CPA's advice.

Please understand that I am not criticizing you and that what has happened in the past is not your fault. You were following the advice of professionals that held themselves out as trustworthy. I am saying that their advice to you should not be relied upon. Please understand that if you continue to rely on the CPA's advice or of anyone the operation guides you to, mother's estate and Accotink will remain in their control, and they can jerk us around with secrecy, set-ups and surprises until they benefit and wee lose. Please, please hire a CPA firm in Pennsylvania (one who does not advocate secrecy from the beneficiaries) and tell them the advice the CPA, the lawyer, and the stockbroker told you and see what they say.

Please do not accept the policy of secrecy as being loyal to mother. Please understand that mother, based on previous set up patterns, was set up to dictate that message over the telephone to you. Does secrecy from the beneficiaries make sense to you?

Please file charges in the Fairfax County Circuit Court for the money the fraud operation stole from mother's estate (Basically the difference between the \$175,000 version and the \$119,000 version of the estate tax return and subpoena the financial records from the CPA, the lawyer, and the stockbroker. Only you can correct this in your position as co-executor. If I file the charges the operation will say it's against you too and they will use you to fight me and cover for them.

Those two versions of the estate tax return mean the fraud operation intentional deceived you. It means, based on the known financial documents, that they stole money from the estate. I believe it was laundered out of the estate through the stockbroker.

If I understand FBI agent Healy correctly, you told him that you could justify the two versions of the estate tax return. Please contact the FBI and correct that:

Charles L. Owens Chief, Financial Crimes Section Criminal Investigation Division J. E. Hoover Building 935 Pennsylvania Avenue, NW Washington, DC 20535

FBI Supervisory Special Agent Tim Healy Criminal Division, Financial Crime Section, Economic Crime Unit, Room 3634 J. E. Hoover Building 935 Pennsylvania Avenue, NW Washington, DC 20535

Please stop being used by the fraud operation. Covering up for the fraud operation who jerked mother around until she died of a heart attack is not being loyal to mother. Please make yourself aware.

Please read Sabotage Settlement concerning the first piece of property I sold (pages 213-244). You were at the settlement. What did the CPA and lawyer tell you and Mother? This is still a secret from me. If we can't clear up what the fraud operation did to us in my sale of the first parcel ten years ago it is unlikely that we will be able to prevent them from doing it again with the remaining parcel. Please tell me what the CPA and lawyer told you and mother. If the fraud operation can continue to use you to carry out their agenda they can sabotage any sale I try to make of Accotink.

Please read the book until you understand the set-ups. Please make this your major project until it is cleaned up and all the accounting entanglements and set ups created to create conflict over Accotink are removed. Please face this so I can sell Accotink and we can get our money. I am not the source of the conflicts. I am not the bad guy.
