Exceptions to Commissioner's Report

VIRGINIA: IN THE CIRCUIT COURT OF THE COUNTY OF FAIRFAX
IN RE: Estate of Jean Miner O'Connell, Deceased

To the Honorable Judges of Said Court:

I, Anthony Miner O'Connell, respectfully excepts to the report of Jesse B. Wilson, III, Commissioner of Accounts, dated the 31st day of May, 1994, and filed in the above matter in this Court on the 1st day of June, 1994, and state as my grounds, the following:

I believe the Commissioner of Accounts was in error in approving a commission for Edward J. White. I was in error for not providing the Commissioner my letter of 6/13/94 (enclosure 1) before the Commissioner approved his report. Approval of a commission for Ed White would be an approval of Ed White's destruction of my reputation and my consequent estrangement from my family. (This does not apply to the other cofiduciary, Jean Nader, ref. Va Code 26.5.2). My grounds are as follows:

1. Ed White used his fiduciary position in this estate to destroy my reputation and my relationship with my sister, Jean Nader, with the intent of generating another fee for himself through the forced sale of real estate, in which all the beneficiaries of this estate have an interest (enclosures 1).
2. Ed White got this fiduciary position by destroying my credibility with my mother in 1985-1986. Mr. White intentionally withheld information while I was trying to fund a trust for my mother, and accused me for the consequent delay. After 13 years as designated cofiduciary in my mother's Will, she dropped me and added Ed White (enclosure 2).
3. Mr. White's secrecy and setups show contempt for the fiduciary relationship between executor and heir (enclosure 3).
4. The testator, my mother, did not want her family torn apart.

To the Honorable Judges of the Fairfax County Circuit Court, I beg you to cause a jury to be empaneled to resolve this issue. I believe my fiduciary and accuser, Ed White, should be held to that level of responsibility.

Respectfully submitted this 16th day of June, 1994.

Anthony Miner O'Connell
